Hello friends, my name is Raja and i am from punjab. My age is 24 years and my height is 5 feet 9 inches. I am very fair and my built is athletic. I have 6.5 inch long dick with good thickness. I am sharing one my sex encounter which i had with my aunty who is 36 years old. She is 5.3 feet tall and very fair in colour. She had typical punjabi body. She had very big boobs and her ass is round and little out structured. Her husband works in Dubai and stay there only. My aunty has three kids – 2 sons and 1 daughter.

It was almost 1 years old story when she called me to her house. Her kids are small and contraction work was going in her house. She wanted to help me in her renovation. I was monitoring her construction work and was doing needful buying for raw material. It was summer time. One day, aunty's kid went to her grand father house. Only aunty and i was at home. One evening, rain started heavily. All the labour went to their home. I had feed the animals and tied them inside the house. My aunty's house is farm and out of city area. There was hardly traffic seen. It was really raining very heavily. Everything was wet. My aunty ran to pick up the clothes which was on hanger in courtyard. She was wearing very thin clothes suit. She was all went on rain and her suit was completely transparent to me. Her fair and sexy body, all parts were visible to me. I noticed that she was wearing black coloured bra and black coloured panty.

She was busying in arranging clothes. Suddenly, She noticed me. I was starring her. She had given me smile. I think, she got to know that what i was watching. We both came inside and changed our clothes. I had worn a shirt and nikar. and aunty wore some other suit. Aunty made tea and i was enjoying tea. I was sitting in balcony, watching rain and sipping tea. Rain was stilling going on. Aunty asked for dinner. I said no to her. Due to heavy rain, electricity was off in entire city. Rain was stopped in night. Very sunny and cool environment was outside. So i said aunty that I am going to roof for sleep. Aunty said – i am also coming with you.

She locked the main door and we went to roof. I settled my bed on charpai. She also layed with me. Her face was in front of me. We were talking. It was really dark night. Suddenly, my aunty asked – what were you seeing? I said – hmm.. when? Aunty said – don't be so poor and innocent. I know everything. I was shy and said – you were looking beautiful in wet clothes. You were looking very sexy and so hot. Aunty started laughing. I asked for my girlfriend. She was talking to me in Punjabi. She asked – whether i had sex with her or not? I said – no but i was surprised that my aunty was very open. My aunty said – if you didn't had sex with her yet; what's the use to have girlfriend.

Then, i asked aunty – you stay alone here and separate with your husband. When you feel excited and horny. What you do? She said – i will tell you. But promise me, you will keep is secret.
