Hello friends, I am Rinku and 19 years old guy. I am sex addict and i had my first masturbate when i was in school. It was so awesome and i liked it very. Since that time, i am doing my own fucking every day, i meant masturbation everyday. I reside with my parent in a high floor building. The advantage of these building is that every one has their business and ever neighbours don't bother about neighbourhood. We have four flats on floor but unfortunately, we were the only family whose flat was occupied. Other three flat were vacant.

One morning, when i came back from jogging. I had seen the flat just next to our door was opened. I was little curious and went inside. I had seen a beautiful lady. Suddenly, the male member came and i introduced myself to them. Those were couple from South India and person came as transfer. His company had provided them this flat. He was Amit and his wife was Ashvika. Ashvika was a mallu lady. She was so beautiful and her facial expression was very attractive. I was in loved with her instantly. They had a very cuite little daughter.

They settled there and we also helped them. Amit was in field job and spend good time on tours. Ashivika used to stay alone in house. Whenever, Amit was on tour, she normally not come out and spend time inside her flat only. One evening, She knocked our door. Her daughter was not well. She wanted my help to take her daughter to doctor. I instantly helped her and that day, it was start of our friendship. I never been with her whenever her husband in town but whenever he was on tour. I started spending good time with her and her daughter.

One day, I had taken her to garden. Suddenly, it started raining and we had become wet. She was wearing top and jeans. Her top was stack with her body and i could see the shape of her boobs. She was looking so hot and sexy. We came back to home. I had seen that my door was locked. She asked me to come with her. She had changed the clothes and worn a nighty. She also gave me towel and asked to change my clothes. She was in kitchen and i was sitting in drawing room. Her daughter was sleeping. I could see her bums. Oye Hoye.. what she was looking. Her night was netted and i could see her sexy figure. I was seeing her pink colour bar and panty. Her panty was just hiding the lines and her smooth rounded butts was visible to me.
