Hello friend, my name is Sumit. I am 34 and a married person now. I love to read sex stories since i was young. When it was not available on internet, I used to read sex story books and now find sex stories on internet. I had read many stories here and wish I also must share my few sex experience with all of you. I am not a writer, so my story will in simple words however, I will try to make it little spicy. I reside in south delhi and I am a fitness freak person. I used to go for jogging every morning. When I used to come back, one school bus stop was nearby to my house.

Whenever i had been pass thru from there, I used to see one aunty who used to come to drop her kid. We always see each other and she used to smile seeing me. We never had spoken to each other; even we didn't knew each other. But, her smile in morning always made me fresh. She must be around 32 - 33 but her figure was superb. I always love to see her rounded butts. If she had been little late, now i used to wait for her and one she come, then only i was left for home. She used to come on scotty to drop her kid.

Her ass was really nice and her boobs were big like millions. She was beautiful and really gorgeous. I always see her with thirsty eyes and i assume that she was also feeling same for me. I always found an invitation in her eyes and smile. Thats why i started making plans to fuck her. But, i didn't had enough courage to speak to her, to talk her. But, i always watched her. One day, I didn't wet for jogging but dressed properly and went to bus stand. I was waiting for her. I was starring her and she also saw me but that day she ignored me completely as she didn't know me. After catching the kid bus, she came back to stand and was starting her scotty. She was kicking it hard but some problem was there. She was looking for help and the she asked me to come.

I - What happened aunty?

Aunty - My scotty is not starting. Can you see please?

I - ok, I cleaned spark plug and then kicked it. But it was not starting. Then, i put choke and kicked again. It was not starting. I asked where do you live?

She - I reside in camp.

I said - My house is near by. You can stay at my home and i get take your scotty to garage and get it repaired.

She said - ok.

i Parked her scotty in one side and then we came to my home. I introduced her to my mom. I lied that she was my friend's mother. Aunty saw me and smiled. Then, i had taken her scotty to garage. Mackinaw checked the scotty and said – there is some problem in engine. It will take 2 – 3 days.

I told aunty. She said – ok. My mother suggested that I must drop her to her home. I started my bike and asked her to sit at back seat. She was sitting close to me. I could feel the touch of her boobs and tits on my back. Hmm what 's sexy feeling it was. I was enjoying. After reaching her home, she offered me tea. I said – no. I have to go somewhere and doing acting. She took my hand in her hands and said – come na. Please come na. I wanted this only and i happy from inside that everything was working in my favour. I was feeling lucky myself. Her was really big and beautiful. i was apprising her house decorations. She said thanking and went to kitchen. I settled on sofa. She came with tea after 10 minutes. I asked – do you love alone in such a big house?

It became hard and started jumping. I wished to come outside and wanted aunty hand touch. I had removed her all clothes and made her nude. She also removed my clothes and me nude. She was seeing my huge dick. Her eyes was twinkling with pleasure. She asked me to come to bedroom.

We went to bedroom. She pushed me on bed and started playing with my dick.
