Hello friends, I am Amit and I am studying in an engineering college in Lucknow. Basically, my native is Kanpur but i stay in university hostel in Lucknow. I have one elder brother who work in Bank. He recently been married few months ago. He was in Delhi and after some time of marriage, he transferred to Lucknow. I was very happy. I loved to spend time with my bhabhi. And also, I was willing to have home food as i was bored eating the hostel food. Bhabhi was just one year elder than me and almost 5 years younger than my brother. Due to less age gap, we had been good friends. When my brother got shifted in Lucknow, I helped her. Brother was busy as he had to take charge from person whom was he replacing. I had taken leave from college and helped bhabhi to set her home. I had firstly accidentally touched bhabhi so many time. I loved to touch her. I used to feel flow of current in my body. I had seen her boobs in this duration.

MY bhabhi name is Savita. She is very pretty, beautiful and gorgeous lady. Her colour is very fair and skin is brighter like milk. Her figure is 34 – 32 – 36. She use to wear saree and deep neck blouse. Her boobs are well rounded with pointed tits. Her tits always make points in her blouse. When my brother was married, his friends was after my bhabhi. It was very difficult to handle them. My brother had taken transferred to Delhi to avoid that awkward situation. If any friend went to Delhi, he used to ignored him. But, due to my mother illness. He had to come back to Kanpur. But, due to some problem, he got transferred to Lucknow which is nearer to Kanpur. He used to go to Kanpur every weekend. Some time, bhabhi use to go with him or some time not.

I had not shifted to bhabhi's house but when bhabhi didn't go to kanpur with brother. I used to go to her house. Bhabhi was new to Lucknow and used to feel bore. So, I used to take her for ride on my bike and also show many places. We all know that Lucknow is a historical place and it alot to see. Even, in week days also; when she felt bore, she used to call me and asked me to come down to home. My brother always been in bank and was not able to give much time to bhabhi. We both have become good friends now. We were really close. Bhabhi now used to sit on bike being close with me. So many times, i had felt the pressure of her sexy boobs. Whenever, i felt her boobs touch, I used to feel 440 volt current in my body. I never thought wrong about her but when i saw her sexy navel and hot wet body. It was first time, when i felt hornyness on my dick. That day, we went for a movie and when we were coming back to home. It started raining. We both were wet. Her saree was all stack with her sexy body. She was looking so hot like a sex goddess. My eyes were starring her hot body.

I was so horny. My tongue was juicy. My eyes were twinkling with hornyness.

She read this in my eyes and went to her room. She changed her clothes and came out with towel. She rubbed my hairs with towel and said – hmmm, I believe you have grown up now. She was smiling and laughing. I thought – she is also keen. I can take a chance. She went to kitchen and was making tea for us. I was staring from outside. Her ass was so sexy and hot. I was not able to control seeing her sexy rounded butts. I went to kitchen. I said – leave bhabhi. Let me make tea for you. Tea was really tasty. She liked it and was praising me for tea.
