As I am also a great fan of this erotic story column and I like to read the sexual encounters of people. Stories written by girls, females are my favorite & I request all the females to write their experience as sex is natural & there's no shame, it will happen with every body. I salute to all the sexy stories written by girls, babes, females. The sexual encounter, which I am going to narrate, happened to me last month with the help of Internet. Internet is of great help in finding sex partners & I love to surf & am always trying to search sex partner, so I had placed my ad in a website where you can find your sex partner from your area, I had placed all the details about myself.

Now my sexual encounter started from here. After some days I thought of checking the mail box where I had placed an ad, as I eagerly opened the mail box I was glad to see that there was a mail for me from a girl named Arati from Delhi whose age was 22 years and was married and had a 3 year old daughter. She mentioned that she was not at all satisfied with her sex life, as her husband is a businessperson and therefore travels a lot for official purpose. She had written that she was interested to meet me and wanted to have intimate relationship with me and she had given her telephone number. I jumped in joy, as I was getting a chance to have sex with a married woman and I gave her a ring. Arati was glad to hear my voice and we spoke to each other for sometime and I asked her where could I meet her, she told me that she will call me to her house, as soon as her husband goes out of Bangalore. I asked Arati that when would her husband go out of Bangalore, she replied that he is going out of town for 5 days and said that I can come to her house. Arati gave me her address and requested me to maintain secrecy about our affair as

she was going to have extra marital sex. Until her husband was there I used to talk to her on the phone to get more familiar. I was eagerly waiting for the day. I rang Arati at 9AM and re confirmed with her "R U Ready" & there I am at 11. Now to my surprise Arati's way of talking had changed as she said, "Jaan tum jald se mere paas aa jao, ghar main koi nahin hai. Quickly I dressed up and the most erotic thing was while wearing my jockeys was my penis could not fit properly, as I had gained my size.

I could very well make out that my love tool wanted to have sex very badly as usual. I took a taxi and reached at Arati's place & I rang the bell & with in no time a good looking girl with navy blue transparent saree with long brown hairs opened the door with smile. I asked her "Arati?" said yes and asked me to come inside. Let me now describe about Arati that she was a Punjabi babe, & she looked stunning with the outfits & with a bit of make up .Arati's figure was 36-26-36, simply amazing. We then sat on a sofa chatting with each other and in the mean while we were exchanging erotic smiles among each other. I asked her where is your Daughter to which she replied "Maine use saheli ke ghar par bhej diya hai". Arati then accompanied me to her bed room and we sat beside each other on the bed. Now I asked her, Arati tell me something about you sex life. Without saying anything she immediately kept her hand on my bulge which was visible and kept on massaging it.

Arati was massaging my cock over my pants and we both were breathing heavily. I embraced her in my arms and planted a kiss on her hot red lips and we started kissing then I started kissing her neck and she was moaning in pleasure hhhhhh, Aaaaaaaaaa hhhhhh ooohhhhhh. I then undressed her saree very slowly seeing each & every part of her body care fully, then her blouse & then petticoat and there she was in only black lacy bra and panty which made me go crazy. She removed my t-shirt and my jeans. I was in no mood to waste even little time & started making love with Arati and gradually removed her bra and panty and she was completely naked in front of me. I kissed her forehead, eyes, earlobes, very slowly coz the pleasure you have it in doing slowly is amazing. I then came down to her boobs and started sucking them, girls let me tell you that I am a great boobs sucker & I have the pleasure to tell that I have been complimented by 3 girls of the pleasure they get while I suck it Her. Arati told me tum apna underwear kholo na, mujhe tera lund dekhna hai". I removed my jockeys and my 9 inches hard & hot rock long cock popped out. Arati was extremely happy & took my cock in her hands and started rubbing my cock & said, "Tumhara lund bahut garam hai aur lal bhi, aaj to bahut maza ayega.

We started rolling erotically over the bed. Then I again kissed Arati on her lips and one of my finger was inside her love hole. I started pressing her boobs and then I started sucking and licking her nipples and she enjoyed it and became hot. Slowly I started tickling her pussy and planted a kiss Arati yelled "Aaaaaaaahhhhhhhhhhhh mazzzaa aaaaaa rahaaaaa hai, aur pls pls aur karo
