My wife sanjana and i are broad minded persons form rich family. Sanjana aged 29 and had sexy figure 38-26-38.i am 31. We are married for last 6 years and our was love marriage. My friend sanjay always visits at my house and we are free with him. He is not married and staying alone.

He is working at studio and is professional video grapher. Last year in summer night we ware watching xxx movie i said "sanjay sala english blue film mai wo maja nahi atta hai jo indian blue film me atta hai" but in market you don't get quality indian blue film. Normally either model is not good or quality of video is not good. Sanjay said why you don't make your own video. Your wife sanjana is good looking and sexy and your personality is handsome. Sanjana was there in room with us but do not react. Sanjay said he will shoot for us. I ask sanjana if she was ready she said no. I still get up take out my handcam and started making fun of shooting. I was acting in funny manners to make atmosphere light. I know it is matter of time before sanjana agrees for shooting. After some time i give handy cam to sanjay and ask him to shoot. He took camera and look at me. I said don't worry. He started with me and do not focus on sanjana. I moved near sanjana and hold her hand she did not resist i kissed her she do not respond but i know she will be hot soon and nothing can stop her then. We have discussed this situation many times watching blue films. I put my hand over her shoulder and touch her full 38 boobs. She smiled and i know she was ready for action. I took my other hand inside her skirt and touched her underwear she was wet and hot i put my fingers from side of her underwear to touch her pussy. Her pussy was hair less i was shocked and asked her "bal kab kate toone" but she said nothing. She must have just shaved at the time of her evening bath.

Sanjay and i used to go for sex together since our collage days and many time fucked together. I know how he likes to see shaved pussy. More over my wife had big round type pussy and not flat one, and it looks grate without hair. I know sanjay is always hot towards sanjana. In free time we always talk about girls we fucked together and on many time he compare them with my wife. He was never indecent but always his remarks ends with you are lucky to have good looking wife like sanjana. Sanjana always insisted he marry but he replies were if i find some girl like you then only he will marry. My wife knows all about our activities and we talk lot about it in bed.

I started kissing sanjana and now she responded positively. My both hand busy, one on her boobs and other on her pussy. Slowly her hand moved on zip of my pant and she was trying to open it. My cock was rock hard and fully erect. Sanjay was bessy with camera. She manages to take it out. She started stroking up and down. My cock is 7 fully erect. She said "aj tumhara aur

bada lag raha hai.” i smiled and said “yeh to phir bhe sanjay ke samne kuch bhe nahi hai, aur sanjay ke land to mere se kafi bada hai.” she could not believe it. I took opportunity to fulfill my long time dream to have sex with sanjay and sanjana and me.

I moved away from my wife and asked sanjay to fix camera on bed. He was quick to do it and started the camera. He now knows what was in my mind. He was mentally preparing himself to fuck my wife. Sanjana was not sure what will happen next as i push her to bed. She was fully clothed till now only with her skirt up showing her new black underwear. I was excited to see that sexy underwear and know that she must have deliberately put them on. Sanjana is fair and had big butts and long sexy legs her height is also 5’10” well above average indian girls. Sanjay was enjoying show. I asked him to seat on bed witch he did promptly. In my wife’s ears i whisper “darling, ab tak jaise sab ladki ko ham chod te they aj tumhare sath karte hai.” chill went thru her body and she holds me tight. I could feel her nails on my back but she said nothing. I know it, she was ready for action. To break ice i said to sanjay look her new underwear it is nice and beautiful. He smiled and said yes. I said and cloth is also very soft and good filling also asked him to touch it. He gently put his hand on her butts as if he was checking cloth of underwear. He was not sure about reaction of sanjana. Slowly he started rubbing her butts. Sanjana started her warring with his touch. She was breathing heavy. She started kissing me like mad. I pulled sanjay near us. As sanjana’s back was towards sanjay she was unaware that sanjay was sleeping next to her. I signaled sanjay to remove his cloths. Also i started removing top and skirt of my wife. She responded with removing my pant. In no time we were nude. Sanjana still manage to hide her treasures from sanjay. Sanjay could only see her back and butts. I took sanjay’s hand to place it on her big boobs. Her nipples were hard as rock.

He could not cover her boobs in his hand as he tried to measure her boobs before pressing them. With his eyes closed he was in heaven i know his life time dream coming true. Sanjana was pulling my cock like mad and i was fingering her wet pussy. I took her hand from my cock move it towards sanjay’s cock. She realized what i am trying to do. She tried to resist so have to use some force. Sanjay was still few inches away from her body; i starched her hand towards her back to reach for his cock. She grab his cock and realized his thickness she opened her mouth in disbelief. I enjoyed expression on her face. I asked her to open her eyes and look what she was holding. See his size, his thickness and see his color. Since her back was towards sanjay he also could not see her pussy nor he tried to touch her there, he was all the time busy pressing her hard big boobs. She opened her eyes to look at me i asked to turn towards sanjay. Now she was holding two cocks and playing with them. I helped her turn around. Now her face was towards my friend sanjay. She looks down at what she was holding. Her eyes widened to see his cock. She could not believe about size. Sanjay’s cock is 9” long and doubles thick

then me. I have seen such reaction from many girls we fucked together. She was mad when she looked his naked cock. Sanjay was also mad to see her shaved pussy and her round shape. He put his hand on her pussy and started rubbing it. He put his one finger in her and tried to insert second finger. Sanjana cried and requested to stop him. I know he always insert two or three fingers in all girls we fuck. But he could not insert more then one. Santana's pussy is much tighter then girls he used to fuck.

I then climbed up on my wife's face and put my cock in her mouth. My friend also moves to her shaven pussy. His tong started playing with her pussy. Sanjana could not keep control on her self and started making loud noises. I know now it's was time to finish the game. I asked sanjay if he likes to fuck first, he did not wait to tell me yes and immediately removed his face and placed his cock on her pussy. I climbed down her and removed my cock from her mouth. I know it will be difficult for her to adjust sanjay's cock inside her. I place my mouth on her lips and hold her face tight in both hands as sanjay prepared himself. He was now between her legs and his cock touching her pussy. Sanjana put her arms around my neck when he starts rubbing his cock on her pussy. I could not see what is going on bellow but my wife's hand moments indicate she was preparing her self for sanjay's big and thick cock. It seems from her movements she was worried now as he was preparing to enter her. I know my wife's pussy will be too tight for thick cock like his. I was also worried about her reaction when he will enter his cock in her pussy. Sanjay preferred to tap me gently on my back to indicate that he is going to start fucking her. I locked my lips more tightly on her lips and ingress grip on her face. Sanjay in one strong and grate stroke insert his entire cock in her pussy.

She tried to scrim in pain but i was ready and in full control on her lips. She tried to push my head but failed. Tears started rolling. She was crying in pain, and i was knowing it will hart her. He took some time to adjust his cock in her pussy before removing his cock. He then removed his cock slowly and waited to see her reaction. She was somewhat relived and tried to breathe normally but that was time for second stroke. Soon sanjay started pushing his cock in and out with grate speed. In few seconds i removed my lips from her face to see what sanjay was doing. I could see his cock going inside her. I have seen it many times but those girls were not my wife. He is a grate fucker and normally takes more then 15 minutes to finish. But this time it was sanjana and he could not fuck her more then three minutes. He come inside her and did not move for some time. I asked him to move so i can take her. He rolled to one side and i could see what mess he made with her pussy. His come was dripping from her pussy. Sanjana's pussy hole was still open and i could imagine it will be lose for me now. I was egger to try how loose it will feel to me. I climbed on her to fuck. I was burning in fire and my cock was ready to shoot full load immediately. Sanjana requested me not fuck her for some time as her pussy was in pain. I asked if she enjoyed she said yes. I have to respect her filling as she was in pain. I know i may not be able to fuck for few days. I

took her hand on my cock and ask her to finish with it. Sanjay was smiling at my condition. In few strokes i come in her hand.

We got up and put on our cloths. Sanjay checked if move camera was recording properly. It was fine. For few days we keep looking great blue film we made. Now sanjana can take both and we have done it many times.
