Added : 2016-01-14 12:23:42

Hi dear friends of ISS. I had gone thru several stories on this site. I had enjoyed a lot. I was not getting courage to share my experience here. At last my friend Jeet told me to do so. Thanks to him.

I am married marwari woman having two kids. My hubby is having own workshop and with god grace he is earning good sum. He is an engineer and I am also an engineering graduate. Both of us shared the responsibilities of business. I am doing marketing and sales and he is looking after purchase and manufacturing. In this field I got seven friends. Jai is one of them, who are very close to my hubby and me. We have family terms.

I am 35, 5'6", fair, with stats of 34B, 30, and 36. I always prefer Punjabi suits and loose tops with loose trousers. At home I always prefer loose nighty without bra and panty. My kids are school going. My hubby is 38, 5'9", fair, muscular body. We have very satisfied married life. We are enjoying sex twice in a week. But when my hubby had introduced me to Jai, I have a different kind of attraction towards him. Jai is 48, 5'9", well built, wheatish complexion, service class person. He is working with a big organization as a manager. We are supplying material to their company as per order. Jai has 2 close friends, Rajesh and Venkatesha. Rajesh is a Punjabi guy and Venkatesha is a south Indian. Jai is from Mumbai. Jai had introduced me to them. I also feel proud to have such close bound friends.

One day I thought after reading so many gangbang stories on site, I must try it once. Then I have thought how it can happen without knowing people around me. Suddenly I got an idea to arrange party at home when my hubby would be out of town. I got that chance after three months. My hubby has to visit his native place for couple of weeks as his mother was hospitalized. He went to Nagpur. I had called Jai and told him that I have arranged a party for him and his close friends at home. He has to bring his friends Rajesh and Venkatesha on that evening. He asked me whether there is an arrangement of drinks I had done or not. I told him everything is in place. They have to come and join me.

I had sent my kids to my friend's house in the afternoon with the excuse of business meeting at home. I had dress up in cream color Punjabi suit without bra for that evening. My dark brown areola and nipples are visible through that dress. Around 6:00 in the evening three of them reached at home. I welcome them and asked to sit in drawing room. Then I asked them whether they want to start drink session or wants to relax for some time. Jai told me to bring glasses, munching, ice and other necessary items for drink session. I have brought 4 glasses, a bottle of Vodka, Bottle from limejuice cordial, munching, ice and soda bottles. Deliberately while keeping the tray on table I

asked Jai to help me. He was sitting just in front of me. I was bow down with tray showing my boobs, which are hanging like ripe mangoes inside my suit. His friends and he himself just look at them. Jai help me to keep all those items on table. I went inside to keep tray and came back. Jeet asked me to pour drinks for all. I asked him to re-arrange the sitting arrangement around the center table. I poured drinks for all of us. All of a sudden Jai asked me where the kids are. I told him, they are with my friend.

We started our drink session. I was sitting between Jai and Venkatesha and Rajesh is sitting opposite to me. After having 2 rounds, Jai asked me to start the music and I should have to dance for them on music. I got up and started the music. I also started dancing on the rhythm. All of a sudden I cried and fall down. Jai got up and came to me. He asked me what happened. I told him that my feet got entangled and I fall down Now I have severed pain in my ankle and I could not get up. He put his hands in my underarms and pulled me up. He was just standing in front of me. With scream I once again fall down on him. My boobs pressed on his chest. Then Venkatesha and Rajesh join us. All three of them lift me and put me on sofa. Jai pour one drink without any thing and asked me to gulp it down. After finishing that drink, he pours another and asked the same. By that time first bottle was empty. I asked Rajesh to bring another bottle from kitchen. I asked Jai to continue their drink session. We had another 2 rounds of drinks and asked me what about food. I told them everything is ready and kept in microwave oven in kitchen. At this time all of us finished both the bottles. All of us were high on sky. Jai and Venkatesha support me from both the sides and took me to dining table. I feel their hands touching my boobs from bottom. Rajesh brought food on table. We had dinner and sat there for some time chatting on other subjects. Deliberately I brought the discussion on sexual relations. All of them got shocked. They asked me what I mean to say, sexual relation with wife or with others. I told them other than spouse. Then Jai asked me whether I had been satisfied with hubby or not. I told him that we have very good sexual relations, but never had other than our souses. He asked me whether I would like to do with them. Mentally I was ready to do all those things but with facial expression I shown him that I was not expecting that question.

Venkatesha signaled to Rajesh by eyes. Rajesh came close to me and put his hand on my shoulder. Venkatesha and Jai also came near me and all of them lift me and took me to our bedroom. They put me on bed. Jai and Venkatesha sat on my either sides and Rajesh sat near my feet. Then they hold me firmly on bed. Jai and Venkatesha holding me by their one hand each and with other hand they started playing with my boobs and nipples. Rajesh was holding my feet with one hand and other hand he put on my pussy. I told them I am not expecting these things from them. They should not have to do this with me. I will tell all these things to my hubby and we complain against them in police. By hearing this, Jai got wild and slapped me hard. Then he asked his friends to stripe me naked and tie with the bed. All of them will fuck me whole night. I

must have to teach a lesson for inviting them for party when I was alone at home.

Venkatesha and Rajesh had torn my Punjabi suit into rags while undoing. They tied me with the bed with those rags. Now I was stark naked on our bed tied in flying eagle style. I was acting as protesting them, but from core of heart I want all those things to enjoy and feel the gangbang. They also removed their clothes. All of them sitting around me with their cocks in their hands and squeezing my boobs and fingering pussy at the same time. By looking at their cocks I was happy. Rajesh had 7" long and about 1.5" thick cock, Jai had 8" long and 2" thick cock while Venkatesha had 9" and about 3" thick cock. My hubby's cock is smaller than all of them. I was shouting on them. Again Jai slapped me hard. Then he asked to his friends who will fuck my pussy. Rajesh told he must fuck my pussy. Venkatesha nodded in acceptance. Jai then asked Venkatesh to fuck my ass and he will put his cock in my mouth. Rajesh asked both of them to lift me from bed and he slide under me. His cock was standing upright. He guided his cock on pussy lips and asked them to put me on his cock. He also pulled me by my ass chicks. Venkatesha put some cream on my ass hole and he put his giant cock there. He pushed his cock in my ass with pressure. I screamed due to pain. His big and fat cock was tearing apart my ass. At the same time Jai pulled my hairs due to pain I screamed. He put his cock in my mouth. That points of time another push given by Venkatesha and his full cock in my ass.

All of them wait for some time and they started fucking all my holes at one pace. I feel pains in my ass but also enjoying. After about 15 minutes all of them cum in my all holes filling them full. I also enjoyed the orgasm twice in this duration. Then they changed their positions. Jai came under me. Venkatesha standing near my face. And Rajesh was ready to ride on me. They put their cocks in all respective holes and started to fuck me. This session was lasted for about 30 minutes. They spurt cum inside me. I also enjoyed another 2 orgasms. Again they changed their positions. Now Venkatesha came under me. Rajesh standing near my face and Jai was ready to fuck my ass.

Like this they fucked me overnight. My pussy and ass was swollen. I was unable to stand due to this furious fucking session. I really enjoyed this. I thanked Jai, Venkatesha and Rajesh for this wild and hard fucking. I asked them we have to repeat this at least once in a month. Jai told me that I should have to organize same type of session with Rajesh's wife. Rajesh does not have any kid. He might get kid and his wife would enjoy the wild and hard fucking session.

How I had planned the session of Rajesh's wife, I will write in next story. How you feel my sex experience? Please write me on lht_sngt@yahoo.com. You may write me your sexperience. Bye for now.
